

## **PROFILE**

Sai Group has blossomed under the guiding light of his holiness **Shri Sai Baba**.

Heading this group is MR. Subhash Nelge, who has pioneered through this architectural renaissance, has overseen the rise of this group from a vision into a revolution, greatly impacting the way people live and work in the 21<sup>st</sup> century.

With benchmark in our quality standards and focused customer relationship, our group has made a difference in real estate with esteem clients including Axis Bank, Bilcare, Religare and software companies.

Sai Group is also engaged in corporate social activities through the development of SAI MANDIR at Alandi road and we provide regular contributions to worthy causes.

## **VISION**

With our motto of **shaping the city** skyline and projects in and all around Pune, Lonavala, Goa, we promise you to shape your requirement to the finest detail and therefore we are driven by a single minded revalue that of “ **Cementing pride for life**” in the hearts of our esteemed clientele.

Sai Group endeavours luxury with simplicity and harmony in its construction with each minute detail with a mission to provide the best in quality standards and on time delivery.

We emphasise on creating impressive and highly stimulating spaces for living and working and at the same time also value for money.

Our work force consists of specialists in each field with a passion to work and enhance their skill sets.
